

**GATEWAY USA MISSION CENTER**  
**CONGREGATIONAL GRANT APPLICATION**

The *mission* of Jesus Christ is what matters most for the journey ahead. (164:9f)

Grants will be considered based on alignment with the 5 Holistic Mission Initiatives which are:

- Invite People to Christ
- Abolish Poverty, End Suffering
- Pursue Peace on Earth
- Develop Disciples to Serve
- Experience Congregations in Mission

Grant applications can be submitted each fiscal year between January 1st and December 31st. Grants are available for amounts up to \$600. Grant monies received and not expended will be returned for future re-granting.

Grants should not be used for ordinary budget support, but to foster the mission of the church as it lives out the 5 Mission Initiatives.

Grant monies may not be used to support positions or to purchase automobiles or other vehicles.

Capital projects built with Mission Center grants are World Church assets and therefore, projects will require the approval of the Field Apostle and the Presiding Bishopric liaison for the field.

Approved grants will be monitored and evaluated based on stated purpose and goals. The congregation will submit a grant report within 2 months after the event. The report will include a summary of the event and a list of how the money was spent. Any left-over money will be returned to the Mission Center for use in future grants. The left-over money should be returned with the grant follow-up report.

Please email the completed application to Debbie Yount (MCFO team member) at [missionarygrnat@cofchrist-gateway.org](mailto:missionarygrnat@cofchrist-gateway.org). You can also call the mission center office at 314-930-3680 x 102 with any question you have about the process.
